Below is our cookies policy usage on this website.

By accessing the Website, you agree that this Cookie Policy will apply whenever you access the Website on any device.

Any changes to this policy will be posted here. We reserve the right to vary this Cookie Policy from time to time and such changes shall become effective as soon as they are posted. Your continued use of the Website constitutes your agreement to all such changes.

## COOKIES INTRODUCTION

This website uses cookies, as almost all websites do, to help provide you with the best experience we can. Cookies are small text files that are placed on your computer or mobile when you browse websites.

Our Cookies help:

- traffic logs to identify which pages are being used

We do not use cookies to:

- collect any personal identifiable information (without your express permission);
- collect any sensitive information (without your express permission);
- pass data to advertising networks;
- pass personally identifiable data to third parties;
- pay sales commissions.

You can learn more about all the cookies we use below.

## ALLOWING US TO USE COOKIES

If the settings on your software that you are using to view this website (your browser) are adjusted to accept cookies we take this, and your continued use of our website to mean that you are fine with this. Should you wish to remove or not use cookies from our site you can learn how to do this below, however doing so will likely mean that our site will not work, as you would expect.

We use traffic log cookies to identify which pages are being used. This helps us analyse data about web page traffic and improve our website in order to tailor it to customer needs. We only use this information for statistical analysis purposes and then the data is removed from the system.

## ANONYMOUS VISITOR STATISTICS COOKIES

We use cookies to compile anonymous visitor statistics such as how many people have visited our website, what type of technology they are using (e.g Mac or Windows which help to identify when our site isn't working as it should for particular technologies), how long they spend on the site, what page they look at etc. This helps us to

continuously improve our website. These so called analytic programs also tell us if, on an anonymous basis, how people reached this site (e.g from a search engine).
